Mentoring Programs

The Office Student Support, Engagement, and Leadership (SEAL) provides opportunities for students and business professionals to engage in meaningful mentoring relationships. SEAL offers a variety of programs to fit the needs, interests, and schedules of students and mentors. Explore our programs below to determine which program best suits your academic and professional journey.

***UNDERGRADUATE AND MBA PROGRAMS*****TeamUP**

This impactful, semester-long program facilitates one-on-one mentoring relationships between undergraduate/MBA students and business professionals.
