Our Stories

Students from all walks of life find their home at Rutgers Business School (RBS). They take advantage of the robust programming and student-run initiatives RBS offers to enrich their experience and develop essential knowledge and leadership skills. Graduate and undergraduate students have access to mentorship programs, student organizations, internship opportunities, personalized career preparation, and more. We invest in lifelong learning because the connection to RBS extends beyond the classroom. Our network of global alumni continues to benefit from the value of the RBS experience, which is reflected through their personal and professional achievements.
